## About us

Max Pro Group Ltd.

Established in 2021, Max Pro Group Ltd. offers a full range of security services including manned and unmanned patrols, special event security, venue security, manned guarding, and response services.

Our mission is to prioritize your safety and deliver peace of mind. We focus on total compliance, insured security interventions, and a personal approach tailored to the needs of each customer.

We pride ourselves in the spirit of honesty, integrity, and professionalism when it comes to handling a variety of challenging situations that an event or building may face.

We have a wealth of experience in the sporting and event management industry, having worked on many corporate events: conferences; multicultural weddings; Christmas party nights and high profile sports tournaments.

We have an extensive, experienced network of highly qualified security officers, executives and experts available and ready to respond 24 hours a day to ensure a discreet, swift and efficient resolution to any security problems or issues. We are trained according to the international standards of advanced security measures. All of our professionals have passed precise inspection processes and have met the high standards, obtaining certifications and licenses that attest their reliability.

You can be rest assured that you are in good hands as we carry out double control procedures during working hours, providing high-level support for all your needs.
